## About Us

Take your ambitions  
to the next level

We are Ghana Plastic Waste Recycling Company,  
Committed to the Environment.  
Alx waste collection is designed to manage  
plastic waste across West Africa.  
Alx waste Recycling seeks to  
innovatively address the plastics waste  
pollution in the West Africa region  
through a franchise model that integrates  
Alx Waste pickers into the digital  
platform that enables homes, institutions,  
communities  
start and request recycling  
services with click of the finger
